

Alley Pally  
*a place to be...*

# Menu

Read. Play. Eat.

Work peacefully. Talk freely.

Less screen time. More time.

### **A Note from Us**

Alley Pally is meant to be used slowly. Some people come for a quick coffee, some stay for hours, and some return without planning to.

This menu will evolve with time. A few things will stay, a few will change, and a few will quietly make way for better ideas. If something stands out to you or feels unnecessary, we would genuinely like to know.
